

EDO DAILY NOTE

During the week of April 3rd, the EDO will issue a direct final rule that amends 10 CFR 72.214, "List of approved spent fuel storage casks," by revising the BNG Fuel Solutions Corporation FuelSolutions™ cask design listing to include Amendment No. 4 to the Certificate of Compliance. This amendment will revise Technical Specifications related to periodic monitoring during storage operations and update editorial changes associated with the company name change from BNFL Fuel Solutions Corporation to BNG Fuel Solutions Corporation and make other administrative changes.
