Jan Larson, Ocean County Environmental Agency may give you a call. I am trying to set up a meeting on 23 Aug 05 at her office. I told her that the 23rd was free for me and that 10:00 AM would be fine. She is checking with others to see if 10:00 AM works. If not she will call you and suggest another time. Just take the message. Her number is 732-505-3671.
