Dear Dr. Michael T. Masnik, CC: OysterCreekEIS@nrc.gov

On the previous meeting for Oyster Creek EIS on Nov. 1, it was very helpful for my activity to meet you.

I am very interested in the transcript of the meeting and processing way of public comments. However, I do not receive any documents so far. I might tell in my card that I do not need the documents.

If you already publish related documents, could you send to the following address? I will spend the cost for that.
