Subject: Are Louisiana Energy Services partners about to jump ship?!

As I understand it, ureenco bought out the minority interest that Westinghouse Electric company held in Louisiana energy services.

BNFL (British Nuclear Fuels) , another company involved with Urenco in Les owns Westinghouse Electric.

BNFL will be selling Westinghouse Electric company to the Toshiba corporation in about 6 months.

Why did Urenco buy out the Westinghouse interest in Les right before the company sells to Toshiba?

Did the new owners of Westinghouse not like the les package??

Phillip Barr
Lea county
