

DRAFT OUTLINE COMMENTS

1. Typographical error in Tier 1 / Group 1

00040.K2.01 inadvertently listed as 00040.K2.03 - however, the K/A description is correct, i.e., "Knowledge of the interrelations between the Steam Line Rupture – excessive heat transfer" and "Interrelations with Valves."

2. Please write out the full K/A descriptions in the exam package.
