Re: Mail Control Number 138449

Dear Mr. Lawyer:

This letter is in response to your conversation with Ms. Beverly Hiles on March 27, 2006. The Application for Material License for ImClone Systems Incorporated dated February 17, 2006 should include the following under Section 10, Radiation Safety Program for Surveys and Contamination Control:

We will survey our facility and maintain contamination levels in accordance with the survey frequencies and contamination levels published in Appendix Q to NUREG - 1556, Vol. 7, 'Program-Specific Guidance About Academic, Research and Development, and Other Licenses of Limited Scope,' dated December 1999.

If you have any additional questions, please call Beverly Hiles at (908) 541-8140.

Sincerely,

Gary Paulter
Vice President, Engineering and Facilities
