MEMORANDUM TO: Charles L. Miller, Director  
Division of Industrial and Medical  
Nuclear Safety  
Office of Nuclear Material Safety  
and Safeguards

FROM: Thomas H. Essig, Designated Federal Official  
Advisory Committee on the  
Medical Uses of Isotopes 

SUBJECT: CERTIFICATION OF THE TRANSCRIPT OF THE APRIL 8, 2004  
TELECONFERENCE MEETING OF THE ADVISORY  
COMMITTEE ON THE MEDICAL USES OF ISOTOPES

At the April 8, 2004 public teleconference of the Advisory Committee on the Medical Uses of Isotopes (ACMUI), I served as the Chair because neither the appointed Chair, Dr. Manuel Cerqueira, nor the Vice Chair, Dr. Leon Malmud, were available. The ACMUI bylaws stipulate that in the absence of the Chair, the Designated Federal Official must serve as Chair at ACMUI public meetings.

Acting as Chair for the April 8, 2004 meeting, I hereby certify that, to the best of my knowledge and belief, the transcript for the meeting is an accurate record of the proceedings.
