<p>Name of Licensee: Personal Care Molecular Imaging</p> <p>Name of Participant(s): Lorraine Catalano, NMT</p> <p>Telephone No. 917-952-9146</p> <p>Subject: Inspection of New License Issued 11/29/04 (NOTE: This will be used as the Documents Title in ADAMS)</p>		
<p>Summary:</p> <p>I spoke to the licensee representative (Lorraine Catalano) in an attempt to contact the principal user (Dr. Boris Krynyckyi -AU/RSO) listed on the new license. Ms. Catalano told me that she was going into business with Dr. Krynyckyi. She said that she was the future Nuclear Medicine Technician for the new facility. However, she also told me that the facility was still under construction and that they planned to begin activities sometime in 2006. She told me that I could reach Dr. Krynyckyi at 212-241-6319. She also told me that I could reach him at that number today (11/21/05) because she knew he was there.</p> <p>I called the number above, but Dr. Krynyckyi was not available at that time. I left a message for him to call me.</p> <p>12/8 - No return call, so I called the number again. They stated that he would not be in the office until 12/12/05. Left message for him to call.</p>		
<p>Action Required: Continue attempts to contact Dr. Krynyckyi and schedule inspection of new location.</p>
