RE: Radioactive Materials License #24-04206-16MD, Mail Control # 138439

Mr. Lawyer:

Pursuant to telephone and email communications with April Chance, Manager, Radiological Affairs, Mallinckrodt is providing additional information regarding our amendment request dated February 16, 2006. Verification of valid Pennsylvania Pharmacist licenses are provided in Attachment A. Furthermore, Mallinckrodt confirms that names not appearing in the original amendment request should be deleted as Authorized Nuclear Pharmacists.

All other items relating to our established Radiation Safety Program remain unchanged at this time. Please contact Ms. Chance at (314) 654-7960 for further information to support this request. Thank you for your prompt assistance regarding this matter.

Sincerely,

Kay M. Yoder
Director, Radiation, Environment, Health & Safety – Mallinckrodt Inc.
