Date: 04/05/2006
Resident Inspectors Office

Subject: Changes in Point Beach Corporate NMC Oversight

Discussion:

The licensee announced as part of ongoing re-alignment of responsibilities at the NMC Fleet level, that Point Beach Nuclear Plant, which formerly reported to Douglas Cooper, Senior Vice President, will now report to Craig Anderson, Senior Vice President. Therefore, all four NMC sites will report to Mr. Anderson, who will have oversight of all plant operations. Mr. Cooper will remain a Senior Vice President overseeing Engineering, Training and Operations Support functions, including Regulatory Services, Security, Emergency Planning, Outage, Fleet Optimization and Standardization.
