Dear License Reviewer,

Please amend our Byproduct Materials License (#37-30854-01) to reflect the following immediate changes in our program:

1. Please delete the following physicians as authorized users:

Alan Alexander, MD
Paul Collura, MD
Jeffrey Packer, MD
Peter R. Smith, MD
Robert Springer, MD
Peter M. Stillwell, MD
Richard Weismer, MD

2. Please add Ellen K. Smith, MD as an authorized user for 35.200 material and use. Attached is Dr. Smith's credentials.
3. Please remove Paul Collura as Radiation Safety Officer.
4. Please add Jack Olley, BS as the Radiation Safety Officer. Mr. Olley is currently listed as a Radiation Safety Officer on NRC license #37-02385-02.

We have delegated Mr. Olley the duties and responsibilities of the Radiation Safety Officer that meet the requirements in CFR 10:35.24 and as outlined in NUREG 1556 rev. 1 (final version).

Mr. Olley has the authority to meet these responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety.

Mr. Olley is required to notify management if staff do not cooperate and do not address radiation safety issues as advised or recommended.

Mr. Olley has authority to raise issues with the Nuclear Regulatory Commission at any time.

Mr. Olley will communicate with institutional management on a monthly basis outlining any needs that are required to facilitate the objectives of radiation safety program and related regulatory requirements.

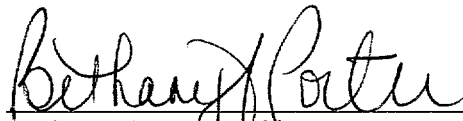

Mr. Olley's consultant contract states that he will be on site a total of 1 day per month. Additional times will be authorized if required to perform his duties.

The maximum amount of time it will take Mr. Olley to arrive at the facility in the event of an emergency that requires his presence is 15 minutes.

Mr. Olley is available 24 hours each day, seven days each week via pager to respond to any questions or to address any operational issues. The consulting firm that Mr. Olley is employed with has three other consultants that are also available – one of which is the RSO at two different facilities.

If you have any questions, please contact our office at 717-735-8150 or the office of our Consultant Radiation Health Physicist, Jack A. Olley of Walter Robinson and Associates at 717-291-9813, voice mailbox #3 or at jaolley@verizon.net.

Sincerely,
