Dear Mr. Courtemanche,

03035640

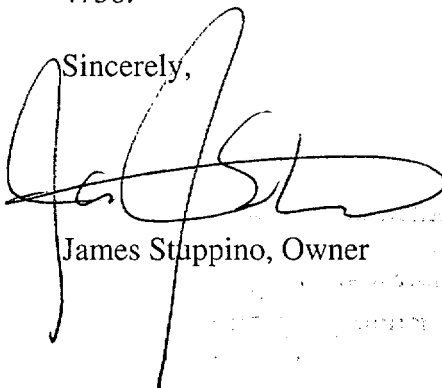

Please amend our byproduct materials license, 37-30619-01, to include the following changes:

- 1) We wish to include a new address of use. The new address is Valley Advanced Imaging, 2403 Butler St., Easton, PA 18042. Please find our first floor site floor plan and hot lab layout enclosed.
- 2) We wish to eventually (a date after 5-22-06) move into the above address permanently and delete our old facility at: 2005 City Line Dr., Suite 104, Bethlehem, PA 18017. We plan to move on May 22, 2006. In conjunction with the move, we will submit a Certificate of Disposition to you.

Our name and management remain the same. Our RSO and technological staff remains the same. Our commitment to our radiation safety program, previously submitted at our last license renewal remains the same.

Since time is of the essence, please facilitate this in the most expeditious way possible. We would like to move on 5-22-06, and we would like to begin clinical operations on 5-23-06. If there are any questions pertaining to this request please contact me at 610-865-4738.

Sincerely,

James Stuppino, Owner
