Dr. Nils J. Diaz, Chairman
United States Nuclear Regulatory Commission
Washington, DC 20555-0001

Dear Chairman Diaz:

Thank you for your recent letter inviting New Jersey to continue to participate in the United States Nuclear Regulatory Commission's State Liaison Program. I am designating Lisa P. Jackson, Commissioner, Department of Environmental Protection, to serve in this important role. Since most state nuclear safety related activities are performed in her Department, Commissioner Jackson is the key person in New Jersey to keep me informed on nuclear regulatory safety and health matters and provide you with information you may need from us. Commissioner Jackson's contact information is enclosed.

Thank you for the opportunity to continue to participate in this valuable program.

Sincerely,
