Mr. Collins:

Wheatland Tube Company hereby requests that our NRC License be relegated to a "POSSESSION ONLY" Status. We understand that there will be no annual fee for this and we will have two years from today's date to terminate the license or reinstate it. If we decide to terminate the license, we are required to return the gauge to the manufacturer or vendor. This applies to:

License # 37-30048-01

Docket # 030-33205

Mail Control # 138920

Thank you for your attention to this matter.
