Dear Mr. Bermúdez:

This is to revoke the letter we sent to you on June 8th, 2006 related to the designation of a Radiation Safety Officer.

We are now requesting your authorization to extend the designation of Dr. Julio Díaz until the position is filled. In the meantime, we are making arrangements to recruit, in a part time basis, Mr. Josean Pagán as our Radiation Safety Officer, a very knowledgeable professional in the field.

We are very interested in complying with this requirement as soon as possible.

Sincerely,

Milagros Vargas, RHIA, MHSA
Executive Director
