Dear Sir or Madam:

Riverview Hospital would like to amend its Byproduct Materials License, Number 13-16286-01 to list Patrick J. Byrne, D.A.B.R. as its Radiation Safety Officer. Mr. Byrne has previously served as the Radiation Safety Officer for Bloomington Cardiology, P.C., N.R.C. License Number 13-32516-01 (license terminated in 2005). Mr. Byrne will function as Riverview's Radiation Safety Officer while a more permanent individual is precepted for the position. Please retain the current Radiation Safety Officer, Dr. Burney, as an Authorized User on our license.

If there are any questions concerning this amendment request, please contact our nuclear medicine consultant, Patrick Byrne, D.A.B.R. at 877-317-5811.

Sincerely,

Pat Fox
CEO/President

Re: Radiation Safety Officer / Executive Management
Letter of Understanding

Mr. Byrne:

You have been appointed the Radiation Safety Officer (RSO) of this facility for our United States Nuclear Regulatory Commission Materials License. This "Letter of Understanding" is prepared to comply with Title 10 Code of Federal Regulations (CFR) Part 35.24(b). This section of the regulations requires that you agree in writing to the following:

- Assume responsibility for implementing the Radiation Protection Program
- Ensure that radiation safety activities are being performed in accordance with our own approved procedures and all regulatory requirements.

Furthermore, in compliance with 10 CFR 35.24(e),(g), the executive management of this facility agrees to provide you as RSO:

- Specific written notation of your authority, duties and responsibilities, see attached.
- Sufficient authority, organizational freedom, time, resources and management prerogative to:
 1. Identify radiation safety problems;
 2. Initiate, recommend, or provide corrective actions;
 3. Stop unsafe operations; and,
 4. Verify implementation of corrective actions.

Our signatures noted below will attest to the issues noted above. Please make a copy of this document for your files and return the original to my attention.

Sincerely,

Pat Fox
CEO/President

Patrick J. Byrne, D.A.B.R.
Radiation Safety Officer
