Subject: Request to address the ASLB

My name is Scott Ainslie. I live on the south side of Brattleboro within just a few miles of the Entergy Nuclear Vermont Yankee reactor and waste storage site.

I would like to address the ASLBP during it's visit to Brattleboro on June 26 or 27th.

As an informed and concerned citizen, I have serious issues I believe the should be carefully and fully considered pertaining to the safety of this plant, it's operation and waste storage plans for the site.

Please let me know that you have received this message.

Thank you,

Scott Ainslie
