RE: License #37-11866-01

03003151

To Whom It May Concern:

Lancaster General Hospital would like to request amendment to the above-noted materials license for the following:

We would like to add Leemon C. Baird, Ph.D., as an authorized medical physicist. Dr. Baird has achieved certification by the American Board of Radiology in the specialty of Therapeutic Radiological Physics (see Attachment A) on June 4, 1982. In addition, Dr. Baird has been listed as an authorized medical physicist on the materials license of DuBois Regional Medical Center (amendment #19) on April 13, 2004. This is evidence of his "recentness of training".

Thank you for your attention to this matter. If you have any questions, please direct them to our Radiation Safety Officer, Mr. Anthony Montagnese, at 717-544-4384.

Sincerely,

Kathleen Harrison, Vice President
