SUBJECT: DECOMMISSIONING FINANCIAL ASSURANCE

Dear Mr. Roberto:

Regulatory oversight of the U.S. Nuclear Regulatory Commission (NRC) License No. 23-01544-10 held by the U.S. Army Corps of Engineers in Vicksburg, Mississippi, has been transferred from NRC Region I in King of Prussia, Pennsylvania, to NRC Region IV in Arlington, Texas. As a result of this transfer we discovered that your Statement of Intent (SOI) letter dated March 16, 1999, for the amount of \$150,000 (enclosed) needs to be updated to \$225,000 to be in alignment with the revisions made in 2003 to NRC's financial assurance requirements. Enclosed is NRC letter dated February 15, 2005, notifying the U.S. Department of the Army, Vicksburg, Mississippi, of the changes to the financial assurance requirements. Please submit to this office an updated SOI letter to reflect the increased amount of \$225,000.

Sincerely,

/RA/
