

August 1, 2006

Ms. Myra Cramer, Manager
Hanover Branch Library
7527 Library Drive
Hanover, Virginia 23069

SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE HANOVER BRANCH
LIBRARY IN REGARDS TO THE REVIEW OF THE NORTH ANNA EARLY SITE
PERMIT (ESP) APPLICATION AT THE NORTH ANNA ESP SITE

Dear Ms. Cramer:

This letter is a follow-up to our telephone conversation on July 6, 2006, concerning the maintenance of relevant documents by your library. These documents are related to the U.S. Nuclear Regulatory Commission (NRC) staff's review of the Dominion Nuclear North Anna, LLC (Dominion) application for an ESP at the North Anna ESP site.

The documents that were sent are:

- (1) Draft to the Supplement Environmental Impact Statement (DSEIS)
- (2) Draft Environmental Impact Statement (DEIS)
- (3) Safety Evaluation Report (SER)

The NRC staff appreciates your willingness to assist the public in participating in the license renewal application process. As discussed, your support would consist of providing shelf space in your reference section which would be used for making documents related to the NRC staff's environmental and safety review of the early site permit application available to the public.

We will place the Hanover Branch Library on our distribution list for documents and notices related to the review of the North Anna ESP application.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-1424 or via e-mail at jxc9@nrc.gov.

Sincerely,

/RA/

Jack Cushing, Senior Project Manager
New Reactor Environmental Projects Branch
Division of New Reactor Licensing
Office of Nuclear Reactor Regulation

Docket No. 52-008
