SUBJECT

Control No. 315456 -- Re - Amendment request by Harsco Corporation, MultiServ Division, via application dated May 17, 2006, and letter of same date, regarding disposition of all licensed material, in support of request to terminate their NRC license, License No. 37-26522-02.

SUMMARY

In a telephone conversation with Mr. Hull on this date, Mr. Hull confirmed that Applied Health Physics, Inc. received from Harsco Corporation, MultiServ Division, and took possession of, on April 7, 2006, under their NRC License No. 37-14600-01, of both Thermo Measuretech (formerly Texas Nuclear) Model 5036 Belt Weight Scale Gauges (Serial Nos. B187 and B192) each of which contained a nominal 200 millicurie sealed source of Cs-137. Mr. Hull also agreed to send to me by facsimile (630-829-9782) a copy of their NRC license, License No. 37-14600-01, for my confirmation that they are authorized to possess the gauges transferred to them and a copy of an inventory record confirming their receipt of both gauges from Multi Serv Division of Harsco Corporation.

ACTION REQUIRED

License reviewer to use above information in evaluation of Harsco Corporation, MultiServ Division's license termination request.
