Re: Account #45-25241-01 03033117

To Whom It May Concern:

We would like to request the addition of Steven S. Trostle, DVM, MS, DipACVS to our license as a Radiation Safety Officer.

Dr. Trostle has previously been licensed and served as such at the Virginia-Maryland Regional College of Veterinary Medicine, Equine Medical Center and at the College of Veterinary Medicine, University of Wisconsin.

He is extremely well qualified and had great experience in nuclear medicine. He is fully familiar with our license and safety requirements.

Sincerely yours,

Reynolds Cowles, Jr., DVM
President
Radiation Safety Officer

Enc: 3

139102
NMSS/RGNI MATERIALS-C02

University of Illinois

Veterinary Continuing Education
and Public Service/Extension
and the Departments of
Veterinary Biosciences and Veterinary Clinical Medicine

Certification of Participation Awarded to

Dr. Steve Trostle

In recognition of participation in the Equine Nuclear Medicine Workshop
From September 23-25, 1994

LeRoy G. Biehl

LeRoy G. Biehl, D.V.M., M.S.
Coordinator, Continuing Education and Public Service/Extension
College of Veterinary Medicine

A. Robert Twardock

A. Robert Twardock, D.V.M., Ph.D.
Director, Equine Nuclear Medicine Workshop
Professor of Veterinary Nuclear Medicine

Steven S. Trostle DVM, MS Diplomate ACVS

Nuclear Medicine Experience

- 12/00-6/04 San Luis Rey Equine Hospital, Bonsall, CA
Private Referral Practice
Approximately 250 equine nuclear medicine examination/year
- 7/96-12/00 School of Veterinary Medicine, University of Wisconsin, Madison, WI.
Clinical Assistant Professor - Department of Surgery, Large Animal Surgery Section
Approximately 30 equine nuclear medicine examination performed /year
Dr. Lisa Forrest and myself were the radiation safety officers
- 8/94-8/95 Marion duPont Scott Equine Medical Center, Leesburg, VA
Clinical Instructor - Equine Surgery and Nuclear Medicine
Approximately 150 Equine nuclear medicine examinations performed/year
Dr. Nat White and myself were the radiation safety officers
- 9/94 University of Illinois
Equine Nuclear Medicine Workshop, Attendee
- 1987-1990 University of Tennessee, College of Veterinary Medicine
Professional student (DVM) attended courses in radiation safety

APPLICANTS TRAINING AND EXPERIENCE

Complete a separate sheet for each applicant (make copies if necessary).

Dr. Steve Trostle

TRAINING RECEIVED IN BASIC RADIOISOTOPE HANDLING TECHNIQUES

TOPICS	WHERE TRAINED	DURATION & TYPE ¹ OF TRAINING
Principles and practices of radiation protection	Equine Nuclear Medicine Workshop	3 days (C)
	VA-MD Regional College of Veterinary Medicine	1 year (J)
Biological effects of radiation	Equine Nuclear Medicine Workshop	3 days (C)
	VA-MD Regional College of Veterinary Medicine	1 year (J)
Basic calculations for radioactivity measurement and standardization.	Equine Nuclear Medicine Workshop	3 days (C)
	VA-MD Regional College of Veterinary Medicine	1 year (J)
Instrumentation and monitoring techniques.	Equine Nuclear Medicine Workshop	3 days (C)
	VA-MD Regional College of Veterinary Medicine	1 year (J)
Other (describe) -		

¹Please indicate on the job (J) or formal course (C).

EXPERIENCE - Use radioactive materials, sources, instruments etc.

RADIONUCLIDE	ACTIVITY USED (mCi)		TYPE OF USE	DURATION OF EXPERIENCE
	avg	max		
Technetium	200	12,000	Diagnostic nuclear medicine evaluation of lameness in horses	VA-MD Regional College of Veterinary Medicine 1 year

This is to acknowledge the receipt of your letter/application dated

6/27/2006, and to inform you that the initial processing which includes an administrative review has been performed.

☒ Amendment 45-25241-01 There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

☐ Please provide to this office within 30 days of your receipt of this card

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned Mail Control Number 139102.
When calling to inquire about this action, please refer to this control number.
You may call us on (610) 337-5398, or 337-5260.
