I called a while ago concerning a phone call I recieved from a woman claiming to be with your office (she called early in the morning so i was very drowsey, and all i remember is that the call came from the 610 area code). She wanted my apt # as she already had the rest of my address. She stated that she would be sending me a hard copy of what we had discussed. The problem is that nothing has appeared and it has been at least 4 weeks since that conversation. I apologise for the delay.
I wish you a wonderful holiday.

Sincerely,
[REDACTED] 7C
