Subject: Confirmatory Measurements and Comparison to Sediment Sample from
Westinghouse Electric Company (Inspection Report No.: 70-1151/96-03)

Dear Mr. Abelquist:

Transmitted is a split sediment sample from the Congaree River for the month of September 1996 which was collected by representatives from the Westinghouse Electric Company in Columbia, SC. When you have received the approved RFTA from NRC/HQ, we request that you analyze the sediment sample for gross alpha, gross beta, and isotopic uranium for confirmatory measurement purposes. Please report the results in terms of picocuries per gram.

Please forward all reported results to William B. Gloersen of the NRC Region II Office. If you have any questions, please call me at 404-331-0425.

Sincerely,

William B. Gloersen
Senior Radiation Specialist
