Subject: CONCEPTUAL SKETCH OF UNIT 1 CTMT SPRAY SUMP/SPHERE RELATIONSHIP  
FOR YOUR 1130 CONFERENCE CALL WITH IPEC

Tom/John:

Don asked us to provide you with a quick talking point conceptual sketch of the Unit 1 Containment Spray Sump/Unit 1 Sphere relationship that may be useful for your 1130 conference call today. We have plant drawings of this system, but you may find this drawing of some assistance for today's call.

If you have problems downloading this go to:

VIEW, and then select "PRINT LAYOUT" and it should come up in color.

If you have trouble downloading this let us know.

Thanks,
