Subject: Alleger's Speech

Randy,

I just got a voice message from Eileen indicating that the alleger is still working on the speech as of early today, Friday, 3/26. Alleger indicated it would be done sometime this morning and would be forwarded via e-mail to at least you. Alleger is aware that Dave V. is out this week; alleger also has Glenn's e-mail address and knows the speech could also be sent to him (although its not clear if the intent is to send it to more then Randy and Eileen). Eileen is on the way back from Atlanta. Will keep you posted. Please let me know if it is received.

Ernie
