Dear Ms. Mosley:

We have received your request for the quarterly Standard Form 13, International Transactions of the Federal Government for Fiscal Year 2006, second quarter. We have analyzed our transactions and determined we do not meet the threshold for reporting at this time. The Nuclear Regulatory Commission last submitted the SF-13 report in Fiscal Year 1992. For the future, our office will perform periodic assessments to determine if the agency meets the minimum reporting requirements. If we do meet the minimum requirements, we will submit the SF-13 report. Please let us know if you have any further questions.

Sincerely,

/RA/
