

RAS 12012

DOCKETED  
USNRC

July 12, 2006 (3:13pm)

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Dear Administrative Judges, Attorneys and Litigants;

Per the Board's request, I asked the NRC staff to review the "Affidavit of Gareth Perry,[ et al] in Support of NRC Staff Brief and Summary of Relevant Facts, Data and Arguments Upon Which the Staff Proposes to Rely at Oral Argument on Environmental Contention EC-6" (Staff Affidavit) and the ERIN Report attached to the "Summary of Facts, Data and Arguments on which Applicant Proposes to Rely at Subpart K Oral Argument Regarding Contention EC-6" (ERIN Report).

The cognizant staff members have reviewed both documents.

1. The Staff's Affidavit has been placed in ADAMS and is available today or tomorrow. The Accession number is ML003771535.
2. The "NRC Staff Brief and Summary of Relevant Facts, Data and Arguments Upon Which the Staff Proposes to Rely at Oral Argument on Environmental Contention EC-6" has also been placed in ADAMS. The accession number is ML003771530.
3. Volume 1, Exhibit 1, Section A through Section C- 4 to "Summary of Facts, Data and Arguments on which Applicant Proposes to Rely at Subpart K Oral Argument Regarding Contention EC-6," which contains portions of the ERIN Report, has also been placed in ADAMS. The accession number is ML003771782.

A fourth record, which is a continuation of the ERIN Report included several pages (A-2 thru A-8 of Erin Report) that included information considered Official Use Only. The pages will be redacted and the redacted version will be available this week. I will transmit the accession number as soon as I receive it.

Sincerely,

Susan Uttal
