Dear Judge Young,

I am writing in support of the
relicensing of Pilgrim Plant in
Plymouth, MA.

The group calling itself 'Pilgrim
Watch' has object to the plant from
the very beginning. They are less
concerned with its safety than
with shutting it down. Their
criticisms are always more destructive
than constructive. They are simply
a very loud minority but, of
course, have a right to be heard.

I would rather be swayed
by the silent majority.

Sincerely,

John R. Glover
