**SUBJECT:** Delegation of Authority - Corporate Radiation Safety Officer

---

Jack Coffey has been appointed Corporate Radiation Safety Officer. The Corporate Radiation Safety Officer is responsible for managing the radiation safety program; identifying radiation safety problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; and ensuring compliance with regulations.

The Corporate Radiation Safety Officer is hereby delegated the authority necessary to meet those responsibilities. This specifically includes having sufficient authority, organizational freedom, and management prerogative to:

1. Have unhampered access to all activities at any Cardinal Health facility involving radioactive materials to identify radiation safety problems;
2. Immediately stop, without coordination with management, any activity at any Cardinal Health facility involving the use of licensed materials by any user that might result in an unsafe situation or a violation of NRC requirements;
3. Initiate, recommend, or implement appropriate corrective actions; and
4. Verify the implementation of actions taken to correct radiation safety problems.

Re: Signature Authority for Radioactive Materials Licenses

To Whom It May Concern:

This letter authorizes the individuals listed below on behalf of Cardinal Health, its subsidiaries and affiliates, to make legally binding statements pertaining to radioactive materials licenses, permits and registrations.

Paul Gotti  
Willie Regits  
Chris Walters  
Dave Breuning

This is to include submission of license applications, requests for changes to existing radioactive materials licenses, as well as responses to citations and notices of violations issued to radioactive materials licenses.

Sincerely,

A handwritten signature in black ink that reads "Jack L. Coffey".
