Dear Ms. Taormina,

Please provide your RSC process for approving authorized user training. For instance, you may confirm that the RSC will require that irradiator users will receive training commensurate with that described in Appendix G in NUREG - 1556, Vol. 5, dated October 1998, before using licensed material. Alternatively, you may describe in detail the topics, the instructor's qualifications, and the training assessment for your irradiator training program.

Please fax your response to 610-337-5269 and reference mail control number 138883. Thanks in advance,

Penny Lanzisera
