Re: Privacy Act/FOI Act Request

Dear FOI/PA Officer:

Under the Freedom of Information Act, 5 U.S.C., Section 552, I am requesting a copy of the fall 2005 self-assessment of NRC's "accelerated review process" for licensee requests to convert to standard technical specifications, and any and all information related to that review process.

This request is being made on behalf of Inside NRC, an independent newsletter published by The McGraw-Hill Companies. Because the information I am requesting will be used in the preparation of a news article and will contribute to the public's understanding of government operations and activities, I ask that all search and copy fees be waived.

Please contact me at 202-383-2161 if you have any questions. Thank you for your consideration, and I would appreciate your response within 10 working days of the receipt of this request.

Sincerely,

Jenny Weil
