Re: Privacy Act/FOI Act Request

Dear FOI/PA Officer:

Under the Freedom of Information Act, 5 U.S.C., Section 552, I am requesting the names of all NRC personnel Grade 13 and higher who have been accorded waivers allowing them to receive both full salary and federal retirement benefits. I further request that the legal basis for each waiver, such as possession of critical skills, be specified. In addition, I am requesting the number of NRC personnel who have been denied waivers during the same time period, and the reasons for the denial.

This request is being made on behalf of Inside NRC, an independent newsletter published by The McGraw-Hill Companies. Because the information I am requesting will be used in the preparation of a news article and will contribute to the public's understanding of government operations and activities, I ask that all search and copy fees be waived.

Please contact me at 202-383-2161 if you have any questions. Thank you for your consideration, and I would appreciate your response within 10 working days of the receipt of this request.

Sincerely,

  
Jenny Weil
