Document Title: Audit and Review Report for Plant Aging Management Reviews and Programs for Pilgrim Nuclear Power Station

Reviewer Guidelines:

1. Review for specific area of responsibility and/or expertise.
2. Direct comments to the actions within the scope of the document.
3. Record comment on this form. List page number and line number from document to identify location of proposed change. If comment is extensive or you have marked-up the document, make a notation on this form (e.g., "See comments on markup copy of document.") and return both this form and the marked-up document to the comment coordinator.
4. If information is technically correct, do not change because of personal style preference. You may, however, indicate clearer or more concise wording.
5. If you consider the comment critical and require that you review the revised document before it is approved, put a "Y" in the "Critical Comment" box.
