NRC STAFF'S APPLICATION FOR THE ISSUANCE OF A SUBPOENA

INTRODUCTION

Pursuant to 10 C.F.R. § 2.702(a) of the Commission's regulations, the Staff of the Nuclear Regulatory Commission (Staff) requests that the Atomic Safety and Licensing Board (Board), designated in the above-captioned proceedings¹, issue a subpoena, attached hereto, requiring a certain individual, named below, to attend and give testimony at a deposition.

DISCUSSION

The Staff requests the Board to issue a subpoena for David Lockwood in order to ensure the Staff's ability to depose this individual on the date specified. Mr. Lockwood was the Regulatory Affairs manager at Davis-Besse from 2000 to 2002 and is still employed by FirstEnergy Nuclear Operating Company. Mr. Lockwood's testimony is relevant to the issues raised by this enforcement action. Mr. Lockwood was Mr. Miller's direct supervisor and had overall responsibility for the completeness and accuracy of Davis-Besse's Fall 2001

¹The Staff recognizes that these proceedings have not been consolidated. However, for administrative convenience the Staff desires a subpoena covering both proceedings since Mr. Cook has been identified as a witness in both proceedings.

submissions to the NRC. Mr. Cook was identified as a person with relevant information by both Mr. Moffitt and Mr. Miller both in their initial disclosures and in responses to written discovery questions.

CONCLUSION

For the above stated reasons, the Staff requests the Board to issue the attached subpoena to Mr. Lockwood.

Respectfully submitted,

/RA by Mary C. Baty/

Sara E. Brock
Mary C. Baty
Michael A. Spencer
Counsel for the NRC Staff
