Yes, both Luis and I should be briefed.

I've seen the Communication plan and Commissioner Merrifield (and TA's of other Commissioners) is scheduled to be briefed 3/28, while the letters to the alleged are scheduled to go out 3/29. This is nothing on the schedule about briefing EDO, DEDO, etc. Do you want such a briefing - it can be added?

It is important that the briefing of Commissioner Merrifield occur BEFORE we respond to Harvin.
