Kymn,

You may send your remarks if you like. Our process gives me a few days (absent an immediate issue) to get the info to our allegations group and I submitted a summary this am, which would go thru a panel then be confirmed to you in an acknowledgement ltr.

Should you decide to submit a written statement, it, too, would be reviewed to amplify, clarify, expand or change (but not reduce) what I had gleaned from our call.

regards,

randy

Randy,

I appreciate you returning my call yesterday and following up on the matters we discussed. I intended that this matter be a formal allegation so if I need to put the information in writing, please advise.

Also, when the time comes to inform me regarding the resolution of my discriminatory firing allegations, I ask that you be the one to call me. I would

welcome Dave Vito in attendance on the call as well.....but no one else, please.

Thank you:

Kymn
