<table style="width: 100%; border: none;"> <tr> <td style="width: 30%; vertical-align: top; padding: 5px;">Summary:</td> <td style="padding: 5px;"> <p>Dr. Anthony called to confirm that we received the amendment request and to see how quickly the amendment can be issued. Addition of the AMP is urgently needed for patient care. I agreed to review the request, then call Dr. Anthony to discuss.</p> <p>Regarding the request to name Scott Mange as AMP, the submitted Ohio license amendment is not currently effective. I told Dr. Anthony that if the licensee can obtain a currently effective amendment listing Mr. Mange as HDR AMP, licensee can use 35.13 and 35.14 to add him by notification, allowing him to work immediately. Otherwise, we can expedite issuance of amendment within a few days.</p> <p>Regarding the request to name James Nunn as RSO, a combination of the submitted information plus information submitted under mail control 138700 is sufficient to show that he meets the requirements of 35.57 plus 35.50(e). The only additional information needed is responses to the standard questions regarding naming of a consultant as RSO. I agreed to fax these questions to Dr. Anthony.</p> </td> </tr> </table>			Summary:	<p>Dr. Anthony called to confirm that we received the amendment request and to see how quickly the amendment can be issued.
