Subject: Additional information needed to remove 3M sealed sources

Dr. Mihailidis,

In your letter dated June 12, 2006, you requested to remove 3M Model numbers 6501, 6502, and 6503 sealed sources from your NRC license because you no longer possess these sources. In our cover letter dated June 23, 2006, provided with your renewed license, we informed you that you must provide NRC with documentation of transfer or disposal of the 3M sealed sources (currently listed on your NRC license as 3M 6500 Series sealed sources for storage only incident to disposal) in order to remove these sources from your license.

Please submit the required documentation as mentioned above within 30 calendar days of the date of this email. Please be sure to include Mail Control No. 139008 in your response. Please note that you may not reply to this email by return email. Your reply must be in writing by letter or facsimile (610-337-5269).

If you have any questions regarding these items, please call me at 610-337-5371. Thank you for your attention to this matter.

Sincerely,

Donna Janda
