No specific events, just life in general as it was for their tenures at PSEG.

Thanks for the tip. I will have to add [REDACTED] to my schedule. I think Jeff Teator and Steve Pindale are going to talk to [REDACTED] on the HC EDG surveillance case and can ask some questions on our behalf. Do you have anything in particular to add to their questions of him? *ex 7c*

Scott,

Today it occurred to me that [REDACTED] is now at [REDACTED]. He may be a good candidate for an interview. And then after you enjoy [REDACTED] don't forget about [REDACTED] in the frozen tundra at [REDACTED] *ex 6*
