OK.

The remarks you had sent to me included your email address at the bottom of every page - - is it okay to go into ADAMS with your email address?

If not, we can take it out.

Email address is fine staying on the document.

Dave Lochbaum met with Chris Bakken and George Edgar today. You might want to call him.

Plaintiffs attorneys are angry that I spoke out. Many of my former colleagues are not happy either.

I am going to send you an excerpt from an email I received today from someone at Millstone. I hope it gives further insight into the PSEG situation.
