Subject: 2003-0110 - Potential Questions for [REDACTED] *7C*

I reviewed the 2003-0110 acknowledgement letter to determine the specific instances where the alleged referenced [REDACTED] to determine if we had enough information to address each item specifically. The appended list involve work environment assertions attributed to him for which we do not have specific responses from him. We should consider whether we need specific responses when we interview him or whether they can be enveloped by the overall work environment review. *7C*
