Subject: Checking in

Hi Randy,

I hope things are going well. I know you are very busy.

I have an appointment with Jeff Teator next Tuesday, June 15 at 1 p.m. I think it will take about 30 minutes. If possible, I'd like to meet with you and Hub (or just you if Hub isn't available) before or after that meeting. Please let me know if this would work for you. Our meeting need only take 20 minutes or so. (I specifically would like to see Hub to thank him for his service and wish him well for his retirement).

I have heard of Roy Anderson leaving and Chris Bakken soon being CNO. I think that bodes well for the site. As I have said before, Chris is a leader I would be honored to work with.

On another matter, I would potentially like to apply to work at the NRC, in either Region 1 or Washington. But I believe I cannot be considered as long as the investigations my allegations spawned are ongoing. Is there some way, within a few months, I can be "freed" (so to speak) to be an applicant? I know the NRC will continue for some time (possibly years) to closely monitor PSEG and I would not want to be prohibited from applying to the NRC for all that time. Any thoughts on this?

I look forward to seeing you soon.

Thanks,
Kymn

Kymn,

i will be here Tuesday. we are checking Hub's availability, and i will get back with you to set a time with one or both of us.

On the idea of being an NRC applicant, there are no restrictions on that.

regards,

randy
