 Randy,

It is my understanding that new information has come to Chris Bakken's attention that could prompt an announcement, wisely and as early as TOMORROW, that PSEG has decided to replace the B recirc pump at Hope Creek.

I am sure such an announcement would be heralded widely as "good news" by all stakeholders.

Since I am not permitted to confirm this directly with Chris, I urge you to do so and to support such a decision that is clearly in everyone's best interests, including PSEG's.

Please let me know this email has reached you. I cannot remember if you said you'd be in or out of the office this week.

Thank you,

Kymn

Nancy Kymn Harvin, Ph.D.
