7C [X] I hope the interview with [REDACTED] went well. [X]

I would appreciate your help on updating the Q&As in preparation for the allegor going public on Sunday.  
We owe the Q&As to Diane and Neil for their use.

[X] We need to get our arms around the many allegations we have received recently, Lochbaum and others. [X]  
Early next week we should shoot for a panel on them. Randy got involved in addressing your emailed [X]  
allegation forms which contained allegor names on Tuesday (he has a separate email)

Are you working on Friday? I'll be in the region.

Glenn
