Re: 1999 Window of Time

Dear Mrs. Bennington:

This letter is to confirm our phone conversation of August 24, 1999 wherein Transnuclear, Inc. requested to USNRC the following time to be reserved for one Category II shipment of high enriched uranium:

October 13 - 31, 1999

The shipment will consist of one Babcock and Wilcox Model No. NNFD 5X22 drum containing less than 5 kgs U235. The shipment will originate at USDOE, Oak Ridge, TN. The ultimate destination of the shipment will be Atomic Energy of Canada, Limited, Chalk River, Ontario, Canada. The shipment will be transported via truck directly from Oak Ridge to Ontario, Canada.

This letter serves as our written notification for the time stated above which has already been reserved for Transnuclear by the NRC in our above referenced telephone conversation.

If you have any questions, please do not hesitate to contact us.

Yours truly,

Transnuclear, Inc.
