Subject: Friday's meeting

Dave,

So far I have not been successful in altering my noon appointment in southern NJ on Friday.

This means I can meet with you and the team early Friday morning (7:30 or 8:00) or later in the afternoon (3:00 or 3:30).

Or, we do it next week without Randy, or the following week with Randy.

Please see what might work and give me a call. In the meantime, I'll still be working on seeing if I can rearrange my noon appointment.

Thanks much,
Kymn
