Subject: NRC INSPECTION REPORT 030-35134/05-01

31 July 2006

Dear Mr. Mallett,

I am in receipt of your letter of 14 July 2006.

On behalf of the Northern Arapaho Tribe, I have reviewed the contents of your letter. The Tribe appreciates your diligent attention to radiation safety, and, generally, approves of the treatment of these issues in your report.

From the first instance that these issues arose, the Northern Arapaho Tribe has been concerned about the safety risks associated with the equipment at issue and the activities licensed by the NRC.

The Tribe is satisfied that your report and the result it achieves will prevent any further difficulties of this sort.

Very Truly Yours,

Kelly Arthur Rudd
