Dear Mr. Bieda,

Please indicate who provided the Novoste training. If the training was not provided by Novoste, please confirm that the training provided was "vendor-equivalent." In addition, since Best Vascular currently manufactures the Novoste device, please indicate whether you require a change to Item 9.G. of your license to reference the new manufacturer in place of Novoste.

You may fax the response to my attention at 610-337-5269. Please refer to Mail Control No. 139184 in your response.
