Dear Mr. Mulay:

Please clarify the following questions regarding the American Oncologic Associates of Michigan, P.C. ("AOAM") NRC License # 21-26488-01.

- 1- Does redemption of shares of a shareholder of AOAM require a license amendment?
- 2- Does issuance of shares of AOAM to a licensed physician require a license amendment?
- 3- Does change of members of the Radiation Safety Committee require license amendment?

I would greatly appreciate receiving your response at your earliest convenience.

Sincerely,

Farideh R. Bagne, Ph.D., J.D.
